Welcome & How to Apply

Why here?

Bathford is a thriving village set in beautiful countryside just outside the world heritage city of Bath. St Swithun's is an integral part of the community; many of our church members volunteer in local groups and most people in the village view us as 'their church'.

We enjoy good relationships with our local Church of England primary school, host a growing toddler group, a vibrant youth group and run family-friendly services with contemporary worship on Sunday afternoons. (We also offer well-attended traditional services in the mornings.) However, we currently have only a handful of families with younger children who are part of our church.

Why now?

We prophetically believe that God is working in our locality with children & families and longs for us to join in. But to do this in the exciting times ahead, we need some help...

So, we're seeking to appoint a Children & Families Worker to help us minister creatively amongst those with children under 12 years old, both inside and outside the church.

Could this be you?

If you would like an informal chat, please speak to Rev Sally Buddle on 01225 571313.
